NTH-109

Flatback Universal Lamp Holder
Lamp: 250W R/BR/PAR max.

PRODUCT DESCRIPTION

Line voltage universal lamp holder with adjustable angle. Smooth, cylindrical design with softened edges on rear of housing for aesthetic, modern appearance. Lateral and vertical swivel enable user to aim the light source to any desired location. Adjustment knob on housing side allows user to extend or retract the neck of the lamp source.

FEATURES

· Deep drawn solid flat back steel housing for high strength and rigidity
· High heat resistant teflon coated wiring lead
· Adjustable angle for custom aiming
· High strength stainless steel electrical contacts
· One or two circuit track capable.
· Accepts LED lamps

CONSTRUCTION

Housing: 0.025" Deep drawn steel construction with softened edges for clean, low profile appearance. Teflon coated wire lead connects socket and housing to electrical contact head. Teflon coating is durable and resists heat degradation from lamp and housing radiation.

Swivel Arm: 0.080" Rigid steel arm connects fixture housing to electrical contact head. Plastic angle tightening knob maintains clean, decorative appearace of the fixture.

ELECTRICAL

Voltage: 120V input
Socket: Medium base
Lamp: R/PAR20, BR/PAR30 or PAR38 (not included)
Wattage: 250W max.

Finishes: Black, Natural Metal, or White heat rated baked enamel paint. Custom painting or anodizing for special applications are also available. Custom finishes will require lead times that vary depending on vendor schedule. Please consult factory for quotation, and provide either a Dunn Edwards number or color chip for exact matching.

ONE/TWO CIRCUIT CONVERSION

Positive contact (opposite neutral and ground contacts) is preset to "down" position at factory but may be raised to the higher position to install onto the second circuit of Nora Lighting NT- 2300 series two-circuit track.
