

PLC Lighting 14W Black Non Dimmable Raven LED S. Exterior Lite

Product Description:

The Small Exterior LED Light from the Raven Collection is designed to add a hint of character to any outdoor space. The modern exterior down lighter is created from cast aluminium, finished in solid black with clear glass that not only enhances the design but makes the material weatherproof and ideal for all garden settings. The light fits on a plate that extends 6.5 " and measures 12" high and 6" wide. Powered by a 14W LED bulb which is included, making this Exterior Lite cheap to run, and makes the unit good value for money. This would be an ideal light to use in a porch as it produces 385 lumens of light and would give you total peace of mind because you can see who is at the door before opening it.
