

PLC Lighting 6W Bronze Non Dimmable Outdoor Fixture Palmer Collection

Product Description:

The LED Light Outdoor Fixture from the Palmer Collection is a stunning addition to any garden, with its durability and warm white light source that produces a superlative ambience illumination and provides all round light in your garden. The unit measures 9.5" high and 4.25" wide with a 4" extension and is powered by an integrated LED bulb with two 6 watts bulbs which are included and these that run on 120 voltage. The exterior body of the light is made using the highest quality cast aluminum and expertly finished in bronze. The clear acrylic strips allow the light to harmonise optically with many wall colours and contemporary property designs. The light is suitable for use in all weathers and exceptional value for money.
