

# SCHONBEK

1870

## MODIQUE

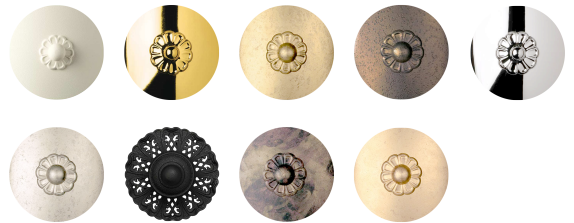

MD1015

Skillfully executed modernist design defines the Collection, for lighting that is balanced and beautiful. Simple arms convey elegance and serenity as they move outward in a gentle modern twist, anchored by sleek glass bobeches and minimal crystal ornamentation. In a departure from traditional chandelier design, ornate detailing is absent, allowing function to dictate a form whose focus falls on the simple palette of high-quality materials.
